

Certificate of Immunization Status (CIS)

For Kindergarten-12th Grade / Child Care Entry

Please print. See back for instructions on how to fill out this form or get it printed from the Washington Immunization Information System.

Child's Last Name: _____ First Name: _____ Middle Initial: _____ Birthdate (MM/DD/YY): _____ Sex: _____

I give permission to my child's school to share immunization information with the Immunization Information System to help the school maintain my child's school record.

I certify that the information provided on this form is correct and verifiable.

Parent/Guardian Signature Required _____ Date _____

Required Vaccines for School or Child Care Entry

	Date	Date	Date	Date	Date
	MM/DD/YY	MM/DD/YY	MM/DD/YY	MM/DD/YY	MM/DD/YY
◆ DTaP / DT (Diphtheria, Tetanus, Pertussis)					
◆ Tdap (Tetanus, Diphtheria, Pertussis)					
◆ Td (Tetanus, Diphtheria)					
◆ Hepatitis B					
<input type="checkbox"/> 2-dose schedule used between ages 11-15					
◆ Hib (<i>Haemophilus influenzae</i> type b)					
◆ IPV / OPV (Polio)					
◆ MMR (Measles, Mumps, Rubella)					
◆ PCV / PPSV (Pneumococcal)					
◆ Varicella (Chickenpox)					
<input type="checkbox"/> History of disease verified by IIS					
Recommended Vaccines (Not Required for School or Child Care Entry)					
Flu (Influenza)					
Hepatitis A					
HPV (Human Papillomavirus)					
MCV / MPSV (Meningococcal)					
MenB (Meningococcal)					
Rotavirus					

Documentation of Disease Immunity

Healthcare provider use only

If the child named in this CIS has a history of Varicella (Chickenpox) or can show immunity by blood test (titer) it MUST be verified by a healthcare provider

I certify that the child named on this CIS has:

- a verified history of Varicella (Chickenpox).
- laboratory evidence of immunity (titer) to disease(s) marked below. Lab report(s) for titers MUST also be attached.

<input type="checkbox"/> Diphtheria	<input type="checkbox"/> Mumps	<input type="checkbox"/> Other:
<input type="checkbox"/> Hepatitis A	<input type="checkbox"/> Polio	_____
<input type="checkbox"/> Hepatitis B	<input type="checkbox"/> Rubella	_____
<input type="checkbox"/> Hib	<input type="checkbox"/> Tetanus	
<input type="checkbox"/> Measles	<input type="checkbox"/> Varicella	

Licensed healthcare provider signature _____ Date _____
(MD, DO, ND, PA, ARNP)

Printed Name _____

Office Use Only: Reviewed by: _____ Date: _____
Signed Cert. of Exemption on file? Yes No

Instructions for completing the Certificate of Immunization Status (CIS): printing it from the Immunization Information System (IIS) or filling it in by hand.

To print with immunization information filled in: Ask if your healthcare provider's office enters immunizations into the WA Immunization Information System (Washington's statewide database). If they do, ask them to print the CIS from the IIS and your child's immunization information will fill in automatically. You can also print a CIS at home by signing up and logging into MyIR at <https://wa.myir.net>. If your provider doesn't use the IIS, email or call the Department of Health to get a copy of your child's CIS: waisrecords@doh.wa.gov or 1-866-397-0337.

To fill out the form by hand:

#1 Print your child's name, birthdate, sex, and sign your name where indicated on page one.

#2 Vaccine Information: Write the date of each vaccine dose received in the date columns (as MM/DD/YY). If your child receives a combination vaccine (one shot that protects against several diseases), use the Reference Guides below to record each vaccine correctly. For example, record Pediarx under Diphtheria, Tetanus, Pertussis as DTaP, Hepatitis B as Hep B, and Polio as IPV.

#3 History of Varicella Disease: If your child had chickenpox (varicella) disease and not the vaccine, a health care provider must verify chickenpox disease to meet school requirements.

If your healthcare provider can verify that your child had chickenpox, ask your provider to check the box in the Documentation of Disease Immunity section and sign the form.

If school staff access the IIS and see verification that your child had chickenpox, they will check the box under Varicella in the vaccines section.

#4 Documentation of Disease Immunity: If your child can show positive immunity by blood test (titer) and has not had the vaccine, have your healthcare provider check the boxes for the appropriate disease in the Documentation of Disease Immunity box, and sign and date the form. You must provide lab reports with this CIS.

Abbreviations	Full Vaccine Name	Abbreviations	Full Vaccine Name	Abbreviations	Full Vaccine Name	Abbreviations	Full Vaccine Name	Abbreviations	Full Vaccine Name
DT	Diphtheria, Tetanus	Hep A	Hepatitis A	MCV / MCV4	Meningococcal Conjugate Vaccine	OPV	Oral Poliovirus Vaccine	Tdap	Tetanus, Diphtheria, acellular Pertussis
